## The reason for the show

The goal of the Equine Corral Open Hunter Show is to provide a quality show experience for all riders. We accomplish this by keeping the entry fees for the show as low as possible but keep the standard of the show as high as possible.

We want our riders to have an idea as to what to expect from a show no matter what level they will move on to compete.

Putting on a quality schooling show is not inexpensive though and we accomplish this in a number of ways.

We utilize volunteers, without which we would not be able to run the show.

We look for Division Sponsors, the Sponsorships go to paying for our ribbons and trophies for each division.

And we invite vendors to the show to sell their wares.

## How You Can Help!

*By sponsoring a division in the Equine Corral Open Hunter Show you help all riders continue their riding education by allowing them to have a place to show off what they learned and to learn how to ride in a show environment.*

*Imagine being able to go to baseball practice or ballet lessons without playing any games or dancing in any recitals, the experience is not complete with out the opportunity to show off what the students work so hard for during lessons.*

There are many ways you can help the local equestrian community out. Please take a moment to read about the different sponsorship packages.
