

Equine Corral Open Hunter Show

2010/2011 Show Season

Year End Standings

The top six

This year we are doing things a little different when it comes to the awards. We thought it would be fun if the final placings for Year End Awards was a surprise at the banquet. However we understand that you will want to know if you are getting an award before you come (although the banquet will be a fun time for all and hope to see everyone there!) So here are the top six riders for each division that is receiving year end awards, the names are in alphabetical order and not in order of placings.
